RE: Liquidation instructions for polyethylene terephthalate film, sheet, and strip from the Rep. of Korea produced and/or exported by SKC Limited for the period 06/01/1998 through 05/31/1999 (A-580-807)

1. For all shipments of polyethylene terephthalate film, sheet, and strip (PET film) from the Republic of Korea produced and/or exported by SKC Limited (SKC) (A-580-807-001) , and entered, or withdrawn from warehouse, for consumption during the period 06/01/1998 through 05/31/1999, not covered by message number 1059209, dated 02/28/2001, assess an antidumping liability at the cash deposit or bonding rate in effect on the date of entry. Such entries may have also been entered under A-580-807-000.

2. Notice of the lifting of suspension of liquidation of entries of subject merchandise covered by paragraph 1 occurred with the publication of the notice of final results of antidumping duty administrative review (65 FR 55003, 09/12/2000).

3. Effective 10/20/2010, the antidumping duty order on polyethylene terephthalate film, sheet, and strip (PET film) from the Republic of Korea was revoked, as explained in message 1277302, dated 10/04/2011.

4. There are no injunctions applicable to the entries covered by this instruction.

5. The assessment of antidumping duties by CBP on shipments or entries of this merchandise is subject to the provisions of section 778 of the Tariff Act of 1930, as amended. Section 778 requires that CBP pay interest on overpayments or assess interest on underpayments of the required amounts deposited as estimated antidumping duties. The interest provisions are not applicable to cash or bonds posted as estimated antidumping duties before the date of publication of the antidumping duty order. Interest shall be calculated from the date of payment of estimated antidumping duties through the date of liquidation. The rate at which such interest is payable is the rate in effect under section 6621 of the Internal Revenue Code of 1954 for such period.

6. Upon assessment of antidumping duties, CBP should require that the importer provide a reimbursement statement, as described in section 351.402 of the Commerce Department

regulations. The importer should provide the reimbursement statement prior to liquidation of the entry. If the importer has been reimbursed antidumping duties, CBP should double the antidumping duties in accordance with the above-referenced regulation. Additionally, if the importer fails to respond to your formal request (via CF 28 or 29) for the reimbursement statement prior to liquidation, CBP should presume reimbursement and double the antidumping duties due. If an importer timely files a protest challenging the presumption of reimbursement and doubling of duties, consistent with CBP's protest process, CBP may accept the reimbursement statement filed with the protest to rebut the presumption of reimbursement.
